

Public outreach event

(CANCELED) Science Education Day

Iris Rauskala, Christoph Lampert

Host:

The Institute's Science Education Day is an annual event for teachers, scientists and all those interested in communicating science. The 2020 edition focuses on the chances and challenges that the 21st century technologies bring to the education system. The event combines short key notes by experts, scientists and international guests with hands-on workshops!

Wednesday, March 11, 2020 02:00pm - 06:00pm
